Student doctor dental care for international students

What is student doctor dental care?

It is a dental practice, in which student doctors (from PNU dental hospital) treat patients under the guidance of professors

Pros

- ✓ Easy and fast appointments
- ✓ Treatments can start fast
- ✓ Treatments fees partially funded by the school

Treatment options

- ✓ Caries treatment
- ✓ Sensitive teeth, abrasion
- ✓ Gum treatment, oral hygiene care
- ✓ Extration of wisdom teeth and loose teeth
- ✓ Root canal treatment
- ✓ Crowns and resin filling

We are currently getting ready for international students in PNU.

We hope students can get fast and affordable dental treatment while studying in Korea.
